## USEPA Brownfield Revolving Loan Fund (RLF) Loan Application

The Mohawk Valley EDGE on behalf of the Griffiss Local Development Corporation is hosting a community meeting to discuss the use of the \$500,000 loan made possible from the U.S. Environmental Protection Agency (US EPA) to address contamination at the former Griffiss AFB Parachute Shop (Griffiss) site.

The meeting will cover the following:

- Overview of activities completed for the Griffiss Site.
- Opportunity to review and comment on the draft cleanup application.
- Introduction to the site redevelopment process.
